FEELING SPECIAL TODAY? AMBITIOUS, CASUAL, SEDUCTIVE? EXPRESS YOURSELF WITH COLOR VISION® AND LET YOUR EYES DO THE WORK!

Introducing **Color Vision®**, a new cosmetic contact lens line that brings out the color in you! **Color Vision®** contact lenses are a fashion statement, a bold move, a mood matcher, or a simple state of mind! Wear them freely with style and exceptional comfort.

THE PFÖRTNER STORY:

Originally from Germany, the Pförtner family has worked for decades on prosthetic & cosmetic contact lenses, passing down traditional craftsmanship and innovation for three generations.

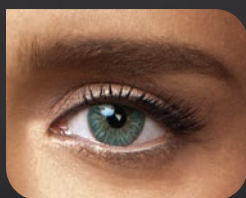

Today, Pförtner is a renowned industry expert that bears its mark on many brands globally.

FASHION AND STYLE:

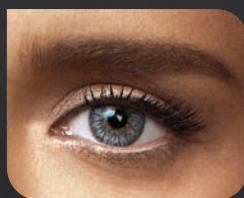

How can colored contact lenses be unique enough to be just like you?

Color Vision® gives the chance for your eyes to speak for themselves!

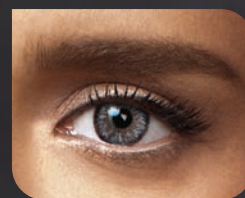

Color Vision® contact lenses come with a black outer contour to reflect a youthful look, as well as a complex and intricate mix of dozens of natural dyes to replicate the natural iris appearance. With an inner hazel lock to define your pupil, **Color Vision**® brings you a mix of colors that create a truly unique product.
