

Find out what innovation leadership can mean for you. See us in Copenhagen, September 9-13 2016*

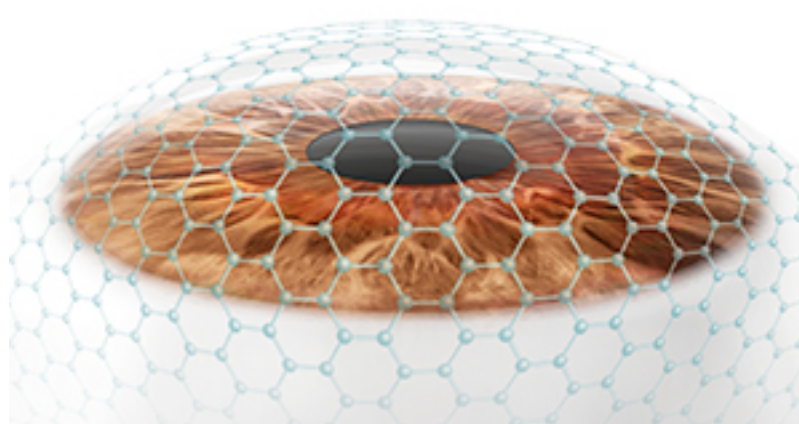

Experience our innovations at the ESCRS. For example: SmartSurf^{ACE} laser vision correction. Stressless. Touchless. The smoother way.

*Exhibition days (Friday to Tuesday, 09:00 to 17:30)

Touch-free surface ablation

SmartSurf^{ACE} is an innovative surface ablation method that works without touching the eye - there is no suction, no cut and no incision. Vision is precisely corrected through the top layers of the cornea, gently and touch-free. The SCHWIND AMARIS excimer laser carries out the visual correction in a single step.

Three million AMARIS treatments worldwide

Since its launch, SCHWIND AMARIS has been consistently stimulating the pulse of the market. Around 800 AMARIS lasers have been installed in 125 countries across the world so far. Three million treatments in total have now been performed by SCHWIND users employing the AMARIS technology as of July 2016.

Sessions at the SCHWIND Booth

Saturday, September 10th

10:00 - 10:30 **Soheil Adib Moghaddam, MD (Iran)**
Determinant factors of quality of vision after TransPRK

11:30 - 12:00 **Bartłomiej Kaluzny, MD (Poland)**
Two-year outcomes of moderate hyperopia treatment with large ablation zone photorefractive keratectomy

13:00 - 13:30 **Jerry Tan, MD (Singapore)**
SMILE versus AMARIS LASIK

16:00 - 16:30 **Sajjad Mughal, MD (United Kingdom)**
TransPRK

Sunday, September 11th

11:00 - 11:30 **David Kang, MD (Korea)**
Customized treatments

12:00 - 12:30 **Diego de Ortueta, MD (Germany)**
SmartSurf^{ACE}: Improved outcomes lead to a boost in demands of surface treatments

13:00 - 13:30 **Bruce Allan, MD (United Kingdom)**
SCHWIND PERAMIS

14:30 - 15:00 **Shady Awwad, MD (Lebanon)**
Are you experienced with Aberration-Free? Time to branch out to other treatment methods

15:30 - 16:00 **Farhad Hafezi, MD, PhD (Switzerland)**
Inflammatory response after PRK

Visit us at booth C300 at the ESCRS 2016. We are already looking forward to a SCHWINDTASTIC meeting in Copenhagen.

Sessions at the Booth Free Paper and Poster Sessions

SCHWIND users lecture on clinical experience with SCHWIND technologies. Find the program on our website! ►
